# Admission, registration and grants

## Admission requirements

To access officially Postgraduate studies, applicants must hold an official Spanish University Degree, or of any other kind awarded by an Institution of Higher Education belonging to the European Higher Education Area (EHEA), providing, within the specific country, a level of academic training equivalent to the official Spanish University Qualifications.

Students with official university degrees from countries outside the EHEA are to present a document from their university of origin assuring that the studies completed qualify one for postgraduate education. Access via this channel shall not imply, in any case, the homologation of the degree, nor its recognition for other purposes than that of taking the Postgraduate studies.

The admission of candidates is decided by the Academic Commission of each study program.

## General admission criteria

Holding the preferred degree; average grade in academic transcripts; participation in other training programs; mobility during degree studies, and professional experience in subjects related to the study program.

See specific admission criteria in each program.

## Minimum number of students enrolled and regulations concerning continuing presence

The number of students enrolled in each Postgraduate study cannot be less than ten (10), so that the Postgraduate study in which enrolment is below that number will be cancelled.

The UIMP has established regulations concerning continuing presence in all Postgraduate studies with a limit of examination sittings and a maximum number of years of continuing presence.

## Admission applications

Admission applications for Official University Master's Degree Programs and University-Accredited Studies are filed on the «on-line pre-sign up» website, which can be found at: <http://www.uimp.es/actividades-academicas/postgrado-e-investigacion.html>

The on-line pre-sign up will require, in addition to one's personal information, the degree permitting access and the date of its acquisition; average grade on one's academic transcript; curriculum vitae, which may be attached in PDF format; and one passport size photograph in JPG format.

These attached files are to be identified with the surnames and the name of the applicant, and the study program for which he is requesting admission.

The admission application shall be nullified by the Admission Office if it has not received the original and/or certified documentation required by the indicated deadlines, or if the information provided does not coincide with the documents presented.

## Enrolment Documentation

Documentation is to be presented to the Admission Office or sent by post and to include:

1. Verified photocopy of DNI, Passport or NIE (for foreign citizens).
2. Verified photocopy of the degree permitting access to the postgraduate study program.
3. Personal academic certification or verified photocopy.
4. Curriculum vitae (or presented with the application).
5. One passport size photograph.

Students presenting foreign and non-homologated degrees must also provide to access:

6. Certification from the issuing university stating that the degree offered qualifies one for access to postgraduate studies in the country in question.
7. Personal academic certification which specifies the study program completed; official duration of the program in academic years and listing of courses taken, grade, and credit load of each one.

*IMPORTANT: The academic documents of foreign degrees are to be presented translated into Spanish, where necessary; all those corresponding to countries not belonging to the EHEA are to be certified (on the UIMP's website, general information on these requirements can be found).*

## Periods & Deadlines
