Dear all,

Please find attached the PhD Workshop Program 2018-2019.

As you know, PhD students beyond their 4th year are supposed to present in the spring term a project that has the potential to become their job market paper. Right after each student's presentation, the members of his/her PhD committee will meet to evaluate the progress achieved and to provide feedback to the student.

Please, mark your calendars to make sure you can attend your students presentations and their subsequent meetings.

Best,

Paula and Guillermo
